President's Corner

First, let me thank all the members who donated items and helped out with our rummage sale. Operations Manager Heather Gant, and Ally Dwiggins spearheaded the effort. They raised over \$1,200 and the proceeds are to be used to buy playground equipment for the kids.

When you're in the Lakeside Lounge you may notice we have a new draft beer cooler. Mark Kelly found the cooler for us, and it's finally installed. I had plenty of help with the installation: Doug Stoutner, Jim Tiemann, and Ric Melton. Brad Walker, Josh Coggins, Nick Adams, Cory Cato, Chris Davis, Josh Tickner, and Cody Fry did the heavy lifting. The old cooler had to be removed over the top of the bar, and the new one brought in the same way. Thanks guys for a job well done.

Hunting season is drawing near. The volunteers at Pleasant Hill are getting duck blinds, and deer stands repaired, and ready to go. A lot of time and effort is needed to keep such a valuable asset up to snuff. Mowing, spraying weeds, and general maintenance require the dedication of members to keep P.H in shape. Great job all.

This months "Volunteer of the Month" is Bud Bornes. Bud works most all bingo Thursday's and has also been a great help with the ballroom make over. Seems he's one of those members who can do a number of things well. Thanks for all you do Bud, enjoy the parking spot.

Club News

First off I would like to wish the kids that have returned to school a successful year. Good luck to their families as well. I'm sure this is quite the adjustment period for all.

Junior Trap had a great year! The kids attended state and national shoots and represented the Club well. Please take a moment and check out the trophy case in the main entrance to the dining room. Congratulations kids! We're looking forward to another great year in 2018.

If you have dined here recently, you have noticed we have added a salad bar. This is an option. If you would like to have your server/bartender make you one out of the kitchen, that is also an option. Just let your server/bartender know.

Don't forget about "All You Can Eat Chicken" every Tuesday from 5p.m.-8p.m. If you're stumped for dinner and don't want to bring the family out, you may also call ahead and we can have it ready for you to pick up.

We have installed the new draft beer cooler in the Lakeside Lounge. Thanks to proper temperature control, and a built-in pre-rinse, much less beer is wasted from foam, the beer is much, much colder and so tasty on a hot summer afternoon. Stop in and have a frosty one soon! A reminder that our "Happy Hour" is still Monday-Friday from 3p.m.-6p.m.

Club News Continued

The rummage sale for the children's playground equipment was a success! (and a lot of work!) With this being said, I couldn't have done it without the help from these lovely ladies and gentleman: Heather Fencel, Kay Brands, Sherry Cowan, Mary Smith, Debbie Wedding, Rich Lloyd, and Allyson Dwiggin. I had an absolute blast working with you! Many thanks to you for helping me with a big project! If anyone knows of a school or an organization that may be getting rid of gently used playground equipment, please send them my way.

We are trying something new with the lunch menu this month. Each day of the week will have its own special. We are also switching up things for Monday nights. During the queen of hearts we are offering several different options for snacks.

The Club will be closed on Monday, September 4, in observance of Labor Day. The Queen of Hearts will be drawn on Tuesday, September 5. Please mark your calendars. I hope everyone had a great summer. Please be safe over the holiday weekend and enjoy.

Until next month,
Heather Gant
Operations Manager

SNY Members—Keeping You Posted

The next meeting is September 5th at 6:30PM. All trailer spots are full. Please be sure that the sewer caps are on your trailers. 3rd quarter pad fees are due September 30. There are two temporary spots available. If you are interested in reserving one of them, please contact in Heather in the Club's office.

Be sure to get your trailer work day and/or duck hunting work days in.

As always, please keep your area clean. Portable tanks should not be hooked up when not in use. Again, please keep your sewer caps and valves closed. Please spray the weeds at your camp sites. Please replace any leaking water splitters. Please remember to turn your air conditioners and fans off when leaving the property.

Attention Waterfowl Hunters

The Alton Migratory Chapter of Ducks Unlimited held a Fun Day on Sunday, August 27th at the Club. Thank you Club members and their friends who supported this fundraising event for Ducks Unlimited.
