President's Corner

Hello all! Here we are! August is here already and kids and grandkids are getting ready to go back to school. That means it's time to start getting the deer stands and the duck blinds ready. July was a busy month for the Club with several ball room events. Once again we participated in the All-Star Restaurant Week and the turnout was great. We received lots of compliments.

The Queen of Hearts Committee updated the rules in preparation of opening the Queen of Hearts to the public. A copy of the updated rules was dropped off on Monday for Godfrey to review. We hope to have approval to proceed shortly. As soon as we receive the go-ahead, we will be ready to go. This can be a nice boost for the Club and everyone's input has been very helpful. Thanks to all.

The chairs in the Lakeside Lounge are in the process of being re-covered and they look great. They should be completed by mid-month as we continue to make improvements around the Club. Jimmy Tieman is getting a crew ready to stain the deck. Doug Stoutner has been replacing the bad boards on the deck and hand rails and should be completed shortly. Myles Davis is planning on painting the trap barn in early September. We will be having a work day to clear the brush behind the building and pressure washing the barn in preparation for painting it. We will send a e-blast as soon as the dates are set. Please contact Jimmy or Myles and let them know if you can help.

Volunteer of the Month

This month's volunteer is Mike Davis. Mike spends every week making sure the grounds look great and every Thursday in the bingo hall making sure our guests are taken care of. Mike spent a lot of time repairing the big mower last month.

When you see him, please let him know you appreciate everything he does. Thanks Mike!

Enjoy the spot.

Trap House Rental

Members may only rent the trap house for someone else if that person is an immediate family member (i.e., parent, grandparent, great grandparent, step parent, son, daughter, or in-law).

President's Corner, Continued

We need some electrical help to install some new lighting under the deck, and to trench a new line along the side of the road to install new lights before winter along the drive way.

Ms. Becky Lee signed up the most new members in June and will receive a gift card for her effort. Our Membership continues to grow closing in on 800 Members. Please welcome our new Members to the Club.

I hope to see you all at the Club. I hear the food and cocktails are pretty good.

Greg Naughton
President

The water test at Pleasant Hill came back showing a slight compromise. Please refrain from drinking the water until further notice. We are working to resolve the issue and will advise when the water is safe for drinking. Please remember, this is the same water that is used for the ice machine. If you are using the ice in your coolers, great. You should not use the ice in your drinks.

Reminder!

Just a reminder, when you camp or fish, please be mindful of picking up any debris that you have. Please make sure that all bottles and cans are picked up after fishing, camping, etc.
Thank you!

SNY Members—Keeping You Posted

The next meeting is August 7th at 6:30PM. There is no riding at all on #3 trail. When in doubt....please ask someone.

Please be sure that the sewer caps are on your trailers. 2nd quarter pad fees were due on June 30th. There are two temporary spots available. If you are interested in reserving one of them, please contact Heather in the Club's office.

As always, please keep your camp sites clean. Portable tanks should not be hooked up when not in use. Summer is here and so are the weeds. On your next visit, please take the time to spray for weeds around your trailer spot. Please remember to turn off your heaters and/or air conditioners and fans when leaving Club property. Please help keep the clubhouse area clean as well. Again, please keep your sewer caps and valves closed.

Thank you to all who have kept their sewer caps and valves closed on their trailers!

Air Evac Renewal

We apologize for the late notice, however we dropped the ball on the air evac fees. Last year we had 87 people who participated in this program. If you are interested, please pay this at the Club as soon as possible. The cost last year was \$12.50 per person. Please make your payment within the next 2 weeks. Again, our apologies for late and short notice.

Club News

Greetings to all, I hope you and yours are enjoying the summer.

I would like to thank all that came out and participated in our Restaurant Week menu. You're continued support of this Club helps make it possible for us to participate in these things. Again, many thanks!

I am still looking for volunteers to bartend events in the ballroom and trap house. Please shoot me a call at 618-466-3042 if this is something of interest to you. I would love to have you on board!

Stumped for dinner ideas on Thursday evenings? Come out to the Club for our AYCE fried chicken and pork chop buffet. This is from 5pm-9pm. We also have a flatbread pizza with wings special that evening. You are always welcome to call in an order to go and we will get dinner ready for you.

Friendly reminder when you camp or fish, please be mindful of picking up any debris that you have. Let's all work together to keep our grounds clean and safe for all.

Until next month,
Heather Gant
Operations Manager
