President's Corner

Hello everyone, I hope you and yours are doing well. As you know the imposed shutdown, and restrictions continue in Illinois, and many other states. That being said, our Club is still offering curbside and carry out meals. We've had decent response to most of the food with chicken, fish, and pizza being the favorite. Also, you may purchase beer and wine in its original container. Heather and Kati work hard to come up with new items every week, but what we would really like is your input or suggestions. Copies of the menu are available at the Club, plus Chrissy Forbes sends out the new one every week via email.

The Club got some good news recently. We were chosen by lottery to receive a non-taxable \$25,000 grant from the State of Illinois. You may have read the article in the Telegraph. We intend to use these funds for payroll and bills. Utilities, insurance, and taxes still must be paid; but we'll try to stretch the funds out as long as possible. On Sunday, I received news that because of our corporate structure (501-c-7 not 501-c-3) we aren't eligible for the paycheck protection program. Greg Naughton and Allan Napp are doing what they can to reverse that decision.

Since we are shut down, we have been fixing up the dining room. Everyone who has seen the changes were impressed with what a little change can do. Special thanks to Sherry Cowan and Paddy Coyle who are here most every day. Doug Stoutner, Jimmy Tiemann, Darrell Smith, and Myles Davis have also pitched in.

President's Corner, Continued

If you have the time, we need Members to do some trimming around the Club. You don't need to ask, just bring your trimmer. If it looks like it needs trimmed, by all means do so. If you find something that requires more attention, please contact me or Doug Stoutner. We would appreciate it greatly.

By next month I hope to have information about reopening the Club, what format is still an unknown. Maybe with some restrictions, we can begin serving our Members. Maybe a nice day or evening on the deck, or how about a table under one of the trees, while the little ones snag a fish. We'll just have to hope this ends soon.

Hope to have better news next month, and thank you to all members who've supported our Club during this unfortunate time.
