## **Job Duties:**

- Maintaining the Cleanliness of the kitchen and support our cooking staff.
- Ensuring all food preparation areas are sanitized as well as keeping kitchenware clean and ready for use during operational hours
- Assisting with food preparation as needed
- Filling and stocking goods as necessary to make ready for the next day or current shift
- Taking out trash
- Kitchen cleans up at the end of the night
- Putting away food and beverage orders.
- Inventory controls as assigned
- Other duties as assigned by your supervisor

## **Requirements & Skills:**

- A fast learner with an interest in kitchen work
- The ability to stand for long hours
- Willingness to adhere to health and safety rules
- Good organizational skills
- Able to lift items up to 40 LB.
- The ability to work unsupervised in a busy environment
- Patience and cool headedness

## **Benefits:**

Flexible Schedules
