President's Corner

Happy Holidays everyone. I hope everyone's holidays are filled with happiness and safe travels. I can't believe this year is almost over. It seems that time has just flew by. We have tried a lot of new things at the Club all in an effort to get our Members to come out and utilize the Club. Somethings have worked and others not so much. However we will keep trying to find things that interest our Members and persuade them to come out and support the Club. I believe the rib dinner last month was a good start to those types of events we are looking at to rebuild Member participation. We have also decided to have new drink specials starting in December for the holidays. Watch for the posting of these specials. I think you will like them.

This brings me to our next problem. We had to cancel last month's Membership meeting again because not enough Members came out. We only need 11 Members to attend to have a quorum, however only 8 showed up. This was the 5th meeting this year that was canceled for lack of a quorum. This makes it very difficult to accomplish Club business when our Members don't care enough to take the time to come out for an hour or two once a month to find out what's going on at their Club. The way to have your thoughts and ideas heard is to come to the meeting and speak up.

It's also time for elections of Officers and Board Members this month, so please come out and vote.

This year has been full of challenges such as finding and keeping employees to do all the various jobs that need done. The employees that have stayed with us through these trying time are very much appreciated. So the next time you see one of them say thank you and let them now that you do appreciate them.

Dane Walkington, President

Volunteer of the Month

The volunteer of the month is Rich Stewart. He was very instrumental in getting our landscaping completed. Not only did he volunteer his time, he also brought out equipment that was needed to get it done. Thank you Rich and all that helped with that project. It really looks great.

Condolences

We would like to express our sincere condolences to the family of Associate Member William Pelot.
